ENCLOSURE #4

As requested by FBIS personnel UAi/ESI have prepared a minimum servo control spares list. This list requires maximum flexibility in O&M presonnel to maintain a high operational rate for the antenna systems as opposed to the original list provided April 2, 1984 UAi letter L4054. Single motor operation maybe required due to decreased sparing philosphy.

Spares price list	$ 19,430
1.09 ESI factor	21,174
UAi markup 1.175 x 1.15	28,611

Sell price to FBIS $ 28,611. delivery FOB Dallas Texas six months receipt of order.
